> A DAINTY EVENING FROCK. It is hard to get away from the sub-

material, with 11/2 yard contrasting fabric for the guimpe. Chiffon, net or lace would be effective for the guimpe, and here a touch of contrasting color may be introduced with splendid re-The skirt is partly cut from an open

ject of the soft silk frocks, because new models are constantly bobbing up

to entice the woman who loves pretty clothes. The design shown here is de-

veloped in blue crepe de Chine trim-med with ruffles of self-material, which

are arranged upon the skirt in tunic effect. The bodice is shirred at the

front in simulation of a vest and the

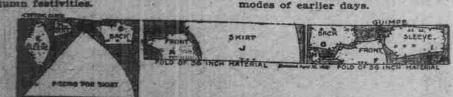

neck is cut in round outline. Puffed sleeves complete the details. To reproduce the costume, in average

size, one requires 4% yards of 36-inch

width of material; that is, it will be necessary to cut the picting on an open width of the crepe to avoid unneces-sary seams. On this same section of goods, however, the puffed sleeve, the stay and the back of the bodice may

Now, taking a fold of material, place into position first the front. Follow with the skirt proper and the front of the guimpe. All of these are laid directly on the fold of the goods. Just to the left of the front is placed the collar and opposite the collar is the back of the guimpe, laid on a length-wise thread. The sleeve, to the right of the front and partly resting along the selvage, is also arranged on a lengthwise thread of the material. Small "o" perforations are provided to determine the shape of the neck of the guimpe, which may also be finish-ed with a high coliar.

This model is delightful for formal occasions, and later the exclusive shops are planning to launch it with great This dear little frock of blue silk are planning to launch it with great treps de Chine might have been taken success. The spreading skirt and the n old-time picture, it is so It will be a favorite for auneatly drawn in waist give a quaint effect that is always associated with

THE ATTRACTION BETWEEN MEN AND WOMEN.

True love in this differs from gold and clay That to divide is not to take away.

Love is like understanding that grows bright. Gazing on many truths; 'tis like thy light."

While we must all acknowledge that friends are good to have, yet we know Featured here is the very latest cre- piness, more than anything else, is ation in feather turbans. It is a smart true love. What are all luxuries, comwinged affair of pure white heckle forts with which one is surrounded if and is fashioned to wear with either a love be wanting? Attraction between men and women is natural, after their meetings and hours passed in pleasant Hearts thrill with delight for each other when they are in their company. If parted a while, absence only make the hearts grow fonder by the little silver chords of attraction that tethers affection, mutual and unchanging.

Attachments should not spring up too hastily. Hapless is the wooing when the flame of hope, which has A brooding silence falls upon the been so sweet, so precious, is found to have been wasted. Courtship for The sounds of labor ended with the years may in short be broken up by some trifling circumstance, some mis-With ghostly touch the night winds chief that is done the whole world

WHY HE TOOK HER RING.

Dear Miss Libbey:-

ities if it is not hot when served, so it should be carefully covered in transit from the kitchen to the room three or four times a week. Tells I am a girl of 25; been going with a me he loves me better than anybody One night we came from church Mrs. Woodrow Wilson died a year and talked as usual. He took his ring ago today. At the direction of President of my finger and started home. Did not arrange to see me again. placed on her grave at Rome, Ga., if he wanted to quit; he replied, "No!" today. he took the ring. Does he love and intend to marry me?

GARNET am entirely at loss to understand what he meant by taking the ring off your finger, after coming home from church. I hope, for your sake, he will visit you soon, or write an apologetic letter, as is due you. It's likely he may repent this action. If so, you may forgive him, and try to forget this hap-

AUTO RIDE WITH RIVAL.

Dear Miss Libbey :-

Dear Miss Libbey:—

I read daily your helpful heart top-I am a girl of 21 years. Was going with a young man about a month who works at place I do. We were in love. I am fond of him. Once I took an auto ride with another young man I do not care for, only for auto ride. I thought as he was away he wouldn't care. He did. I stopped attending dances and parties just for his dislike of them. I am to stop going with girl companions he doesn't like. Since auto ride, he cares for me no more. Will his love return?

Likely he thinks, as many do, "Bet-ter be off with the old love before you are on with the new." It's a poor rule to go auto riding with one man and expect another to be true to you.
